This well presented cottage enjoys a particularly tranquil setting in the sought after village of West Stourmouth which is conveniently located for access to Canterbury, Sandwich and the Thanet towns. With splendid views over the countryside to the rear this semi-detached property has been sympathetically refurbished and now offers a peaceful country retreat. Featuring a particularly generously sized living room which boasts a log burner and french doors to the rear garden. An attractive fitted kitchen/dining room with integrated fridge/freezer, electric oven and hob also has doors opening on to the patio. On the first floor there are two double bedrooms and a spacious shower room. There is a medium sized rear garden partly laid to lawn and a lawned garden to the front. The property is served by oil fired central heating and there is off road car parking for two or three cars. We regret non-smokers only.
